

KENNY HYDER

Digital Marketing & Search Advertising Expert

kenny@hyder.me | (619) 850-7217 | Los Angeles, California | hyder.me

PROFESSIONAL SUMMARY

Senior digital marketing and search advertising consultant with over 20 years of hands-on experience in search engine optimization (SEO), paid search advertising (SEM/PPC), content marketing, online reputation management, and consumer behavior analysis in digital environments. Founded first agency in 2007, scaling to over \$2.5 million in annual recurring revenue within one year before acquisition in 2008. Has directed search marketing strategy for multiple Fortune 500 companies, including Fortune 20 and Fortune 5 businesses, generating measurable revenue increases in the hundreds of millions of dollars. Recognized as a search marketing expert by Search Engine Journal and other leading industry publications. Veteran featured speaker at major industry conferences including SMX (Search Marketing Expo), Pubcon, Affiliate Summit, BlogWorld/New Media Expo, and the Direct Marketing Association. Serves as a judge for the US Search Awards.

AREAS OF EXPERTISE

- Search engine optimization (SEO): technical, on-page, off-page, local, and enterprise
- Paid search advertising strategy and management (Google Ads, Microsoft Ads)
- Search engine results page (SERP) analysis and algorithmic behavior
- Keyword research, competitive analysis, and search intent classification
- Content marketing strategy and viral content mechanics
- Online reputation management (ORM) and brand/name confusion in search
- Domain strategy, DNS configuration, and redirect analysis
- Geographic targeting and location-based search visibility
- Consumer confusion analysis in digital search environments
- Website architecture, crawlability, and technical SEO auditing
- Link building strategy, link equity analysis, and backlink auditing
- Paid search campaign forensics: ad copy, keyword targeting, bid strategy
- Conversion tracking, attribution modeling, and ROI measurement
- Digital advertising compliance and deceptive practices identification
- Affiliate marketing, performance marketing, and funnel optimization
- Data analysis using industry-standard tools and proprietary methodologies

METHODOLOGIES & TOOLS

METHODOLOGIES
